applicable as of academic year 2024/2025*

<b>General information about the Faculty unit and the offered course or module:</b>	
Name of Faculty unit / units	Faculty Unit of Pediatric Endoscopy and Gastrointestinal Function Testing , Ludwik Rydygier Collegium Medicum in Bydgoszcz, Nicolaus Copernicus University in Toruń
Head of Faculty unit / units	Prof. dr hab. Anna Szaflarska-Popławska
Teaching coordinator at the Faculty unit / units	Dr n. med. Monika Parzęcka
Remote teaching coordinator at the Faculty unit / units	Dr n. med. Monika Parzęcka
Persons responsible for didactics in the field covered by the course / module:	Dr n. med. Monika Parzęcka
Name of course / module:	Introduction to Pediatrics
Unit responsible for the module ( <i>applies to modules only</i> )	
Name of course / courses:	
Field of study:	Medical department
Mode of study:	station
Year of study:	III
Office hours of academic teachers ( <i>from all units related to the module</i> )	
<b>Form(s) of classes and number of teaching hours within the course or module</b>	
Lectures	30
Seminars	
Tutorials	30
Other	
<b>Rules of final examination or credit</b>	
The credit of the subject is awarded when the course is completed with satisfactory grade from both practical and theoretical examination. Only after completion of the course with satisfactory grade from practical examination the student can sign up for the theoretical examination (final test).	
<b>Criteria of final practical examination or credit</b>	
Practical examination is held by a person conducting classes and graded based on a 12-point scale from 0 to 12 points in four grounds: - taking a medical history (0-3 pts) - pediatric medical examination (0-3 pts) - interpretation of laboratory and ancillary tests (0-3 pts) - differential diagnosis (0-3 pts). A minimum threshold for obtaining satisfactory grade from practical examination is 60% (7 pts). 7 -8,5 points – satisfactory grade (3,0) 9-9,5 points – satisfactory plus (3,5) 10-10,5 points - good grade (4,0) 11-11,5 points – fairly good (4,5)	

<p>12 points - very good grade (5,0) None of the abovementioned grounds can be graded as 0.</p>
<p><b>Criteria for passing the final examination or obtaining credit for the course or module</b> A final test is theoretical (written form) and consists of 25 questions (50% of them modeled on Medical Final Examination LEK) each of them contains 5 alternatives out of which 1 is the answer and 4 are distractors without negative points for incorrect answer. For every correct answer 1 pts is awarded. A minimum threshold for obtaining satisfactory grade from the final test is 60% (15 pts). 60-70% 15-16 points– satisfactory grade (3,0) 71-79% 17-19 points – satisfactory plus (3,5) 80-87% 20-21 points - good grade (4,0) 88-91% 22-23 points – fairly good (4,5) 292-100% 24- 25 points - very good grade (5,0)</p>
<p><b>Detailed OHS rules applicable during classes taught at the Faculty unit</b></p>
<p>According to general recommendations</p>
